LIGHT

PATCHWORK

DARK

A black and white photograph showing a dark, textured surface, possibly a piece of fabric or paper, with a metallic frame. The frame is composed of several thin, light-colored lines that intersect to form a grid-like structure. The surface is covered with numerous small, white, dust-like particles, some of which are larger and more distinct than others. The lighting is soft, creating a subtle gradient across the surface.

HEKSAGON STRUKTURA 17,1X19,8CM

A black and white photograph of a book cover. The cover features a complex, textured pattern that resembles marbled paper or stone. A prominent diagonal line runs from the top left towards the bottom right, dividing the cover into two main sections. The left section has a more organic, veined texture, while the right section features a more geometric, repeating pattern of dark, curved shapes. The overall tone is monochromatic, with various shades of gray.
